

MANSION IN THE SKY

From The Sky Residences to Mansion in The Sky, The Wine and Cigar Lounge, Sculpture Garden and The Lap Pool is where the home legacies are fostered and the families are nurtured in an exquisite comfortable environment.

LIVES AND SPACES ARE TRANSFORMED AT THE HEART OF RAJAWALI'S PREMIUM INVESTMENTS

SHIRLEY TAN, CEO

We develop properties that create distinct and memorable experiences. We also elevate people, so we partner with good brands to provide better offerings that highlights luxurious consumer trends and technology.

Rajawali Property Group is Indonesia's leading real estate investment and asset management company. It welcomes guests to behold first-rate hospitality at any of its prestigious hotels and residences, but more importantly, it seeks to leave a meaningful legacy.

Partnering with St.Regis and Four Seasons, a globally renowned luxury hotel brands, Rajawali upholds integrity, responsible stewardship, and an endless drive for innovation to transform lives and spaces that foster thriving communities.

Shirley Tan believes that the core mission for Rajawali Property will continue to focus on luxury properties, but on the growth space, we will start focusing more on the next generation retail, hotels and apartments.

Construction Progress

Good progress have been achieved for the construction of the residences and office towers:

For the residential area for the period of April to July 2018 good progress have been achieved. The 3m deep basement 5 Raft Foundation was completed early June 2018. As of the end of July 2018, the construction of the structure have reached between basement 2 and basement 1. It is targeted to complete ground floor casting by September 2018 according to schedule. Painting and MEP services installation commences at basements 4 and 5. The office tower that is connected to the residence by a link passage has also achieved good progress that the 3m deep Raft Foundation has been completed in May 2018 and at end of July 2018 that basement 2 was partially cast. It is also on target to reach ground floor by September 2018. The four nos. of tower cranes for the construction of the residence and office towers are in operation.

The visual mockup of the glass and aluminum facade for the residence and office has already been done on June 2018 and this will be followed by testing of the facade in October 2018 in Singapore.

RESIDENTIAL – MAY 2018

Basement 5 perimeter Raft Foundation and center lift core completed and waiting casting of the 3m deep center core Raft Foundation.

OFFICE – MAY 2018

Temporary roof covering for preparation of the final casting of basement 5; 2.5m to 3m deep Raft Foundation.

RESIDENTIAL – JULY 2018

Basement 1 perimeter slab and basement 2 core slab construction is in progress with the tower cranes has been installed.

OFFICE – JULY 2018

Basement 2 slab construction in progress with the tower cranes has been installed.
