UNRIVALED LEGACY

After more than a century, the flagship St. Regis property, The St. Regis New York timeless style and luxury remain to be surpassed. Immerse yourself in heritage and legacy, captivate your senses, and allow your expectation to be exceeded when you indulge in The St. Regis experience.

Pinacle of Sophistication

With a single-minded dedication to the highest standards of quality and design, The Residences at The St. Regis Jakarta aims to create a refined environment that gently reflects artisan craft, supreme sophistication, and flawless experience.

Pinnacle of Sophistication

Driven by this goal, The Residences at The St. Regis Jakarta appoints Misura Emme, Gorenje by Starck and Toncelli based on their stellar recognition to work on the wardrobe, kitchen equipment, and kitchen cabinet respectively.

Misura Emme

Since 1902, Misura Emme has made an industrious and untiring contribution to “Made in Italy” values. They represent an attentive monitoring of market trends and changes and having well-rounded products with exclusive quality as their main ambition. It’s current industrial dimension and potential represent a strong heritage that has been built over time.

Gorenje by Starck

Designed by one of the most unique creators acknowledged worldwide, Philippe Starck. Gorenje’s new collection of kitchen appliances is built with the highest technologies and cutting edge efficiency. Becoming a reflection of your lifestyle and personality, the minimalistic design with high-end reflective glass and stainless steel blends smoothly with its environment. The range of appliances elegance lines in *“the discretion of its high quality and its pure lines”*.

Toncelli

From the great Italian cabinet making tradition to contemporary “sartorial” kitchens, Toncelli has established itself as one of the best in the furniture market. Modern style Toncelli dictates a certain set of materials: laminate, glass, stone, aluminum, and classic – processed leather, and precious wood.
